**Call to Order:** The meeting was called to order by Vice Chair-Stacey.

Introductions were made as we had new members with the committee.

**MINUTES:** There were no minutes from the previous meeting to approve.

**TREASURER'S REPORT:** No Treasurer's report was given this month. An estimate was given based on the last report we received. We also estimated income from the seminar and the bill from the speaker still outstanding.

**OLD BUSINESS:**

- **Officers & members-**Under old business it was noted that all officers would remain the same for the 2012-13 year. Georgie, however is in another round of chemo and won't be able to be with us for a while. Bob Rennick is replacing himself with Jill Page from the school, but she also cannot make the first few meetings as she has an early morning class this semester. Nancy Schoenfelder will be joining us, as well as Amber Swindler from Prairie Ridge. Dirk Markle from

Markle's Hardware will no longer be with us. Jenny Cabril will be joining us too, to replace Louise Olson from the Cottonwood.

- **Fall seminar** - The seminar was well received and we had an attendance of 41 individuals. Bills have not come in yet, so there is no report on finances from it.
- **Annual report**-there was discussion on the report that was due. In the future it will come to the committee and Kim will file it on-line. This year there will be a fee to pay as we did not meet the deadline.
- **G.E.D.-** Mike Hughes gave the committee an update on the GED program. He proposed that JSEC become the financial administrator of the funds and that the administration be transferred from Two Rivers Economic growth to the JSEC committee. The money needs to flow through a 501c3 organization and JSEC did not have that distinction at the time that Job Service took on the GED testing. Char made the motion that JSEC become that entity as soon as possible and Jackie gave a 2<sup>nd</sup> to that motion. Motion carried. The process will get started immediately.
- **Scholarships**- Scholarship letters have been sent out by email to all employers in the county that were willing to share their address. Those that don't have emails will receive hard copies before the next meeting.
- **NEW BUSINESS:**
  - Minimum wage**- Julie passed out the media release from our department stating the new wage, effective January 1, 2013.
  - Facebook**-Job Service now has a facebook page

**Correspondence/Misc.:**

It was decided that instead of having a program sign-up we would have a "What's New" minute if time allowed. We would go around the table and each person would comment on something in their business that probably was new information to the rest of us.

**The next regular meeting scheduled for 8:00 AM on  
November 13, 2012 at the Job Service Conference  
Room.**
